

Effective Computer Solutions (ECS) named top SAP® Business One Partner in the Southeast for 2009

ECS also announced as a member of the Top Ten Club for SAP Business One in North America.

January 22, 2010: Thanks to the dedication of our hardworking staff and the support of our fine customers, ECS has been announced as the top SAP Business One Partner in the Southeast for 2009. Additionally, ECS made the North America Top Ten Club for SAP Business One in 2009 and was the #2 Partner in the United States for the Fourth Quarter of 2009.

As we finish our third year with SAP, we have quickly returned to the similar type of success we established with the daly.commerce and Infor products of the past. Business One is the fastest growing Business Solution ever, and we're pleased to be considered one of SAP's top Business Partners.
