

Effective Computer Solutions (ECS) reaches Gold Level status with SAP

May 5, 2010: Effective Computer Solutions (ECS) has announced that it has attained Gold Level status, the highest level of recognition in the award winning SAP PartnerEdge Program. To achieve Gold Level status, ECS met strict SAP conditions for sales, customer satisfaction, and product certifications.

With over 30 years of ERP experience, ECS has combined extensive ERP knowledge with SAP's new and modern Business One system. The result has been the ability to deliver more value to our customers than ever before.
